## FROM THE PRINCIPAL

Hello Brooweena community,

### 3,5,6 CAMP

Congratulations to the Year 3, 5 and 6 students on their exemplary attitude on camp last week. What a great week we had. We settled in wonderfully at our accommodation at the Brisbane Holiday Village - playing tennis, putt putt golf, table tennis, swimming in the pool and having a BBQ dinner. We were extremely busy visiting the Qld Museum and Science Centre, Gallery of Modern Art and Southbank Parklands on our second day. Our third day found us on St Helena Island in Moreton Bay. It was a very warm and humid day, with lots of interesting information about convict life. Sean Wade was lucky enough to wield the Cat of Nine Tails in a punishment demonstration (no, not on his brother!) A relaxing swim in the pool when we got back to the holiday village was much appreciated by all of us. The Mt Cootha Botanical Gardens and Sir Thomas Brisbane Planetarium was our destination for our final day of camp. The botanical gardens are just beautiful and gave us some inspiration for our fruit tree orchard and vegetable gardens at school. The sky dome in the Planetarium is amazing! The astronomer,

Peter, gives an excellent and informative experience about our beautiful solar system. Of course, the camp can't go ahead without adult supervision - so a huge thank you to Mr Robinson for being our driver and Mrs Staib for also accompanying us. ☺ Thanks also to the P & C Association for their generous contribution to our camp program for 2017.

## SCHOOL PHOTOS

Due to an amazing and well-needed amount of rain, our school photos were postponed on Wednesday. Watch this space for a new date. Any monies already brought in are being kept safe at school until the new photo day.

## FRUIT TREE ORCHARD

In the next couple of weeks, we will be starting our orchard. Wayne Parker has kindly offered to dig the holes for our planting. If anyone has any fertiliser - be it manure or mill mud that they can donate (we can pick it up in the school trailer) we would much appreciate it. This will give our fruit trees a much needed initial boost.

Have a great week ☺

Peta Bullen
