PRINCIPAL'S MESSAGE

Hello Brooweena Community,

Last week the Year 3 students completed NAPLAN testing over three days. The students concentrated wonderfully for the testing. We should get results in about four months' time.

With the cooler weather now here, we will be seeing an increase in the dreaded cold amongst the children. We are encouraging the children to wash their hands with soap and water regularly and not touch their faces or noses to reduce the spread of germs. If your child does become ill with a cold, then the best cure is rest.

If your child will be absent from school, then please phone the school or text me on 0407 319 875. If your child will require medication, then an Administration of Medication at School form **MUST** be completed. Any medication must be in the original pharmacy labelled container, which includes the prescribing health practitioner's name and the child's name on it.

Next Thursday we have our school athletics carnival at Mungar State School. The children will travel by bus to and from Mungar. Parents are most welcome to attend to cheer on the kids. Please refer to the carnival note, which will be coming home shortly for more details.

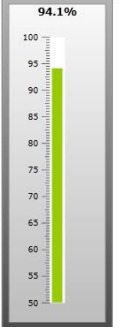

The highly anticipated Year 3 – 6 camp is only two weeks away! The kids (and Mrs Bullen and Mrs Clark) are extremely excited. This also means that the boys will be working very hard to finish their assessment tasks before we go, so getting a good night's sleep every night and a hearty breakfast each morning will help them concentrate every day.

Enjoy your long weekend.

Have a great fortnight.

Peta Bullen
