FROM THE PRINCIPAL

Hello Brooweena State School Community,

There's excitement in the air this week with Under8's Day on at Tiaro today. It's a great opportunity to take the kids to another school to get to meet other students. Look out for photos on our Facebook page!

Our school improvement agenda's main focus is reading. I'd like to thank everyone - parents, students and extended families for their tremendous effort in helping your children to complete their home reading and sight words each night. This effort is really obvious with the student's becoming much more fluent with their reading and their comprehension has significantly improved.

How do we know? I regularly assess and monitor each student through formal testing and also through conversations with our fabulous teacher aides, Mrs Clark and Mrs Staib and conversations with the students. Keep on reading!

Our attendance rate is sitting at 93%. With assessment tasks beginning next week, it is vital that students do not miss any days. This will ensure that they get the best possible chance to succeed to the best of their ability.

The students have been working really hard this term and we have been giving out lots of GOTCHAs. Our parades are held every second Friday at 9:00am. This is where we celebrate reading, sight word and maths success with certificates and also three students get drawn out of the GOTCHA barrel to win a prize from the prize box.

Parents are more than welcome to attend our parade to help celebrate the success.

Have a great long weekend!

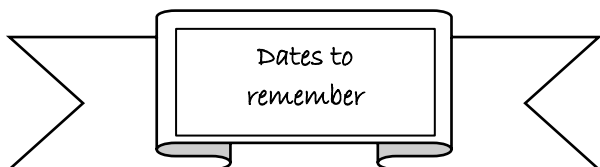

Cheers ☺

Can you please contact the school if you would like some?
