## From the Principal

### \$10000 Story of us Competition

Just recently I received a phone call from the Channel 7 network informing me that our school came in the top 5 in Queensland for the 'Story of Us' Competition. By doing so it allowed the school to have the opportunity to go into the running to win \$10000.

After my initial shock I remembered that Kayne Cooke had told me that he was participating in this competition to win money for the school.

In order to win the competition the school had to respond to a question to explain how the \$10000 would improve learning at this school. After a long afternoon meeting with members of the P & C we drafted a response and sent this in.

I was informed yesterday that the school was successful in winning the \$10,000.00 grant.

We would like to thank everyone who was involved in this. We would like to particularly thank Kayne for his thoughtfulness in putting our small school forward in this competition.

Thank you also to the members of the P & C who gave up their time to assist with our final submission.

### Focus Areas

The students are continuing to work hard to achieve their goals in our schools major focus areas of **Reading** and **Numeracy**.

### Attendance

Congratulations to both parent and students on the fantastic attendance efforts. At the beginning of the year the students set a goal of 95% attendance for the entire year. At this stage we are sitting at 97.2%. That is a fantastic effort. Well Done!

### Naplan Testing

Well done to students who were involved in the Naplan testing last week. The early morning brekkys were certainly a hit!
