Well Done to everyone! Only a couple more weeks left in Term 1 so keep up the great work. I am looking forward to a Sausage Sizzle to celebrate.

Visit from Mark Jones

It was a pleasure to have our Principal Professional Advisor Mark Jones visit the school a few weeks ago to see some of the fantastic programs that we have running in

the school. Mark is going to continue working with our school in order to further develop our Reading agenda in the school.

Thank you Volunteers!

I'd like to take the opportunity to thank the large number of volunteers that we have supporting our school every week. There are not many days you can walk in to the room and not see someone here giving up their time to work with your children. The other day I counted 5 adults to 16 students. This is something that you just do not see anywhere else. Thank you Mrs Dombrow, Mrs Gibson and Miss Sandy for your support and dedication.

Excursion to Fraser Coast Council's Recycle Centres

On Friday 18th March we will be travelling to the Fraser Coast Council's Recycling Centres to gain a better understanding of Recycling practises in the region. A letter containing more information regarding this excursion is attached to this newsletter. Please note that the entire school will be
