Attendance Rate- 95.17%

Attendance Goal for Term 3- 96%

Unfortunately we were unsuccessful in achieving our goal of 96% for this term. It has not been through lack of trying. I think our achievement of 95.17% is quite the effort considering we have made it through the 'flu season'. I would like to congratulate the students and parents on this achievement and look forward to setting new goals for Term 4.

Book Week Celebration

A note came out earlier in the week regarding the Book Week Celebration Day that we will be having at school this Friday.

Students can come dressed as their favourite book character for the day. It will be great to see what kind of characters and ideas people can come up with. The students have been encouraged to use the materials available to them to create their costume. I am really looking forward to seeing the costumes that people create.

As part of this celebration the school will be having a FREE Sausage Sizzle for the students at 11am (First Lunch).

Brooweena State School Open Day

The 2016 Brooweena State School Open Day is happening this Saturday 17th September. It should be a fun day to be had by all. It will feature a Free Sausage Sizzle, the unveiling of Robinson Falls and the 'Glennvironment' Sanctuary and the plaque for Kayne Cooke winning the \$10000 Story of Us Competition for the school. Did I mention that we also have a jumping and the rematch of the Parents/community vs the students Touch Football game. This will be a day not to be missed. I look forward to seeing you all there.

Welcome to Miss Sandy

We have a new member to our fantastic team. Miss Sandy is taking over the Administration Officer Position in Term 4 for Mrs Smith. She has extensive experience in Administration work and I'm sure will be a fantastic addition to the school.

Thank you to Mrs Teefy for filling in as our Temporary Administration Officer for Term 3 and doing a fantastic job.

Thank you

I would like to take the opportunity to personally thank everyone for the fantastic term that we have had. We have seen some fantastic personal achievement in the academic arena as well as the sporting arena. A major part of the success that we have at this school is due to the students and the positive attitude that they have towards learning. I congratulate them on this but also you- the parents as this positive attitude to learning comes from you.

I also need to thank the staff, support staff and volunteers. This is truly one of the hardest working group of people that I have ever had the pleasure of working with. They are committed to ensuring the best possible outcomes for the children.
