## Welcome

I would like to welcome our 2 new students, Isabella and Sean into our school. They have made a fantastic start and have settled in beautifully. This takes the schools enrolments up to 16 students.

## Important Dates

Please keep a close eye on the Important Dates section of the newsletter in the coming months. It is an extremely busy time of the year.

## Parent Information Afternoon

I would like to take the opportunity to thank all the parents who were able to attend the Parent Information Session last Wednesday. I hope that this has helped to paint more of a picture of what is happening at the school.

If you were unable to attend the information session and have any queries, please do not hesitate to contact me on 41 908 333.

## Speech Language Pathologist Visit

Next Friday 26<sup>th</sup> February we will be receiving a visit from the Speech Language Pathologist. If you have any concerns about your child development in this area I would encourage you to contact David on 41 908 333.

### CLEAN UP AUSTRALIA DAY 2016

It's time to take a look around your local area – your streets, parks, sporting grounds, beaches, bushland and waterways to find those rubbish hotspots that need attention.

Join an existing group or register your own site for Clean Up Australia Day on Sunday 6 March 2016.

Or get your school involved and register to clean up around the school grounds on Friday 4 March.

This is your chance to get involved and join the hundreds of thousands of volunteers who will grab their white and yellow bags and don their gloves to clean up their local community.

Over the last 26 years volunteers have donated more than 29.8 million hours towards caring for the environment through Clean Up Australia Day, removing the equivalent of 315,776 ute loads of rubbish from 158,809 sites across the country.

To register go to [www.cleanupaustaliaday.org.au](http://www.cleanupaustaliaday.org.au)
