Reading Links Results

Yesterday, we assessed our students who are doing the Reading Link Program. We were completely blown away with the results. Every single student has demonstrated improvement. Some doubled their words in 2 minutes, some even went as far as reading 5 times the amount of words from their initial assessment to now. I am incredibly proud of the effort shown by all students involved.

NAPLAN Acknowledgement

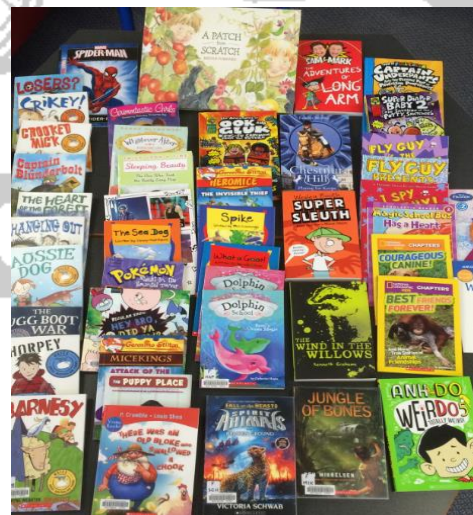

Well done to the students who completed the NAPLAN testing. I was very proud of

Thank you

In the past week I have taken part in a number of Meetings and Conferences. I would like to take the time to personally congratulate the students on their behaviour during this time. Also I would like to thank Mrs Innes and the staff for their dedication and hard work to ensure that the school runs smoothly and your children are safe and happy.

Thanks for supporting book club

On behalf of the school I would like to thank everyone for your support of Book Club. As a result of your support, we were able to purchase a number of books for the school library. The kids are really excited to check them out.

Visit from Steve Case and Mark Jones

Today, the school was lucky enough to receive a visit from Mark Jones our Principal Professional Colleague for the school as well as Steve Case the Assistant Regional Director. Both Steve and Mark were once again extremely impressed with the fantastic things that are happening in the school as well as the results the kids are achieving.

P & C News

Next Meeting Monday 20th June.

Teebar Rodeo is coming up. As usual they have offered us a generous donation to man the drinks station on Saturday June 11th and do the following days clean up from 9am on Sunday. Anyone who is able to help could you please contact Alice on 41 299 027 or at the school.

Another great fundraiser the P&C get involved in is the firewood sales at Gympie Music Muster. We use feed bags to load the cut wood into, and would appreciate donations of any spare bags. Please phone Alice Staib to arrange pick-up.

Information relating to volunteering at the Muster will be available soon.
