This will be a day not to be missed. I look forward to seeing you all there.

## From the Principal

Attendance Rate- 95.32%

Attendance Goal for Term 3- 96%

I had a meeting with our kids P & C this week and we discussed our goal for our attendance this term. The students decided that 96% would be a reasonable goal to set for the end of Term 3. As per usual if the students manage to achieve this goal then we will be having a celebration day on the last Friday of the term. I will keep you posted on our progress towards achieving this goal.

Thank you again for your support with contacting the school on the morning that your child is not attending school. The number is 41 908 333

## Gardening Club/Grounds Work

We have some extremely exciting things happening around the school at the moment with a number of our projects really starting to take shape. Both Mr Robinson and the students have been working tirelessly to get everything looking beautiful for the Open Day.

**P & C News**

The Muster is finally over and what a fantastic time it was. The P&C would like to thank all the volunteers from the community and the families that were able to attend and help with the cutting bagging and selling of wood. Also the families who sent wonderful dinners, morning teas, cakes and snacks down for the volunteers. A huge thank-you to all.
