2025 Term Dates

~~Term 1 – 28th January to 4th March~~

~~Term 2 – 22nd April to 27th June~~

Term 3 – 14th July to 19th September

Term 4 – 7th October to 12th December

2025 Public Holidays

King's birthday – 6th October

Student Free Days

Friday 5th September

Hello Brooweena Community,

Welcome to Term 3 😊

We have had a bumpy start to to Term 3 with staff and students all being very unwell. We were very happy to welcome back most of our students over the last week and are hoping that everyone is back to full wellness next week. Thank you to our families for keeping your children at home during their period of illness.

School Opinion Survey

This year's School Opinion Survey runs from 28 July to 22 August. Parents, carers, students in selected year levels, and staff have been emailed a link to participate. Your feedback will help us understand our school's strengths and areas for improvement. Survey responses are confidential. Find out more on the [School Opinion Survey webpage](#) or contact school administration.

Head of Department - Curriculum

As part of the department's Red Tape Reduction action plan, our small school cluster of schools is taking part in a Head of Department - Curriculum pilot. We are pleased to introduce Kathy Klupfel as our HOD-C for the next eighteen months. Kathy will be in our school every second Monday. Her role is individualised to each school's needs and includes working with Principals and teachers in the areas of curriculum planning, teaching strategies and assessment and moderation. Welcome Kathy 😊

Annual Improvement Plan

As Term 3 begins, we have conducted a review of our AIP through a traffic light system. We are pleased with our progress of implementation in our 2025 priority: *Improve the proportion of students in K – 6 achieving a B or better in English by the end of 2025 through deliberate, high-impact pedagogical approaches that prioritise early literacy development and respond to formative assessment data analysis.* Our semester 1 assessments results were on track with: 86% P – 2 students achieving A – C in English, 100% 3 – 6 students achieving A – C in English, 14% P – 2 students achieving A – B in English, 33% 3 – 6 students achieving A – B in English. This data will be used to collaboratively set goals with all students in their next steps in learning and refine effective research based teaching strategies.

Have a great fortnight. *Peta Bullen*

Ariel

P & C NEWS

GENERAL MEETING: MONDAY 4 AUGUST @ 4:00PM

GYMPIE MUSIC MUSTER

Our biggest fundraiser for the year is, of course, the firewood sales at the Gympie Music Muster. The Muster dates for this year are: 28 – 31 August.

The committee have been working very hard to ensure that this year's Muster runs as smoothly as possible.

We have lots of volunteers on our roster and would like to thank all of these people for giving up their time to help us out.

We are still collecting feed bags for the firewood to be sold in. So, if you have any horse, cattle, chook feed bags, please drop them off at the school.

We would like to thank Gus for the donation of IBCs for our precut firewood to be transported to the Muster in.

Another shout out to Jacob from FCF Maryborough for the donation of 15 cages to store bagged firewood in.

Thanks to Joanne Brown and Wade Burton for driving to pick up IBC donations, the use of their logging saw and timber donations.

We would love to see you at our next General Meeting. Smiling faces and a positive attitude are always welcome 😊

Hello from Kindy – Year 2

Welcome to Term 3

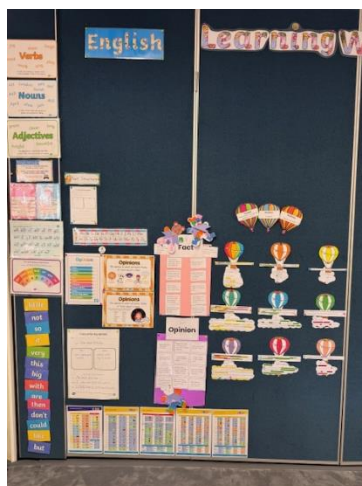

This is a very exciting term with all sorts of fabulous learning experiences planned.

English: We are learning to share our thoughts and feelings and express an opinion.

Our theme for the term is Book an Adventure so we are using adventurous contextualising activities to inspire our writing. On Monday in week 5, we will be having an adventurous camping day. The students will be setting up our school two person tents and will be camping for the day on the oval. We will be making damper and having a BBQ for lunch.

Maths: We are investigating 2D shapes and 3D objects this term as well as measurement, fractions and addition and subtraction. We will incorporate learning activities for our maths learning into our camp day.

Science: We have an exciting term for science this term. We are learning about toys that move. In week 6, the students will be asked to bring in a toy that moves for show and tell so that we can talk about the way the toy moves. The students will be making their own toy that moves for their assessment task.

Year 3 — Year 6 Class

Welcome everyone to Term 3 in Class 3-6!
We have a very exciting term ahead of us with lots of interesting topics and fun learning opportunities. The Student Council is working towards several projects after illness took away several last term, and students have already put in a colossal effort for their schoolwork. I wish everyone a happy and healthy Term 3 and look forward to some awesome learning!

This term we are learning:

English — Persuasive texts

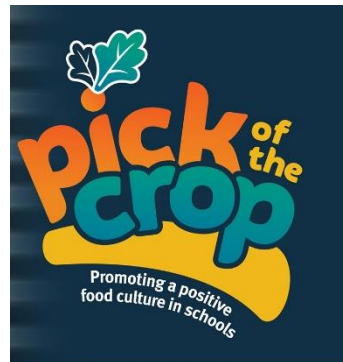

Math — Fractions, Shape and Measurement

HASS — Comparing Australia to other countries

Health — Changes over time, Sustainability and Healthy Habits

PE — Throwing and Striking sports

Digital Technologies — Digital Systems

An initiative of

BREAKFAST CLUB

Each Thursday before school, we have Breakfast Club.

Breakfast Club is made possible through the support of RDT Angels of Maryborough delivering us fresh fruit and snacks.

It is further enhanced by our grant from Pick of the Crop allowing us to purchase kitchen equipment to create healthy choices.

A program developed by

health+wellbeing
Queensland

Playgroup Fun

Playgroup fun is on every Friday during the school term in the library from 9:00am – 11:00am.

We would love to see you there for some fun and enjoy a yummy morning tea.

Great lifestyle*

State Delivered Kindergarten

Our school delivers kindy

Our school delivers a State Delivered Kindergarten (SDK) program.

SDK programs ensure all children have access to a kindergarten program in the year before school, no matter where they live.

SDK is offered in schools located at least 40 kilometres by road from the nearest approved kindergarten, in a selected, discrete Aboriginal and Torres Strait Islander community or other selected communities where there have been barriers to accessing kindergarten.

The kindergarten program is delivered by our qualified teaching staff and is available for 15 hours per week during school terms.

The SDK program recognises, values and builds on the cultures, languages and practices that children bring from their families and communities.

What is kindy?

Kindergarten is a part-time educational program for children in the year before Prep (the first year of school in Queensland).

At kindergarten children make friends, explore new environments and have fun learning through meaningful, inclusive experiences and interactions that support their early learning.

Learning at kindy

Kindergarten programs develop a child's physical, social, intellectual, language and emotional abilities. Kindergarten provides young children with opportunities to learn in a respectful environment to:

- make friends, collaborate and play with others
- express and imagine themselves through art, dance and dramatic play
- build independence through decision making and negotiation
- strengthen their confidence and resilience
- communicate ideas and feelings
- build on their knowledge and explore new ideas through investigations and play
- develop early reading, writing and numeracy skills.

Can my child participate?

To participate in our school's free kindy program, your child must turn 4 by 30 June in the year they attend. If your child is eligible, contact our school to commence the registration process.
